

GCCF Supreme Show 21.11.09

Mrs Val Anderson

Many thanks to Celia and the Supreme Show Committee for the invitation to judge at this prestigious show and the hospitality. I thought there was a great atmosphere at the show this year and the reduction in hall size helped to bring everything together. Thanks to David Howe & his team for organising the ring & keeping the paperwork flowing.

I am extremely grateful to my hardworking & very supportive team of stewards: Connie Henderson, Jan Barber & Andrea Fraser. It was touch and go as to whether I would make the show as I was struck down with labyrinthitis the week before. Knowing my stewards were all Bengal aficionados gave me the confidence to attend & complete my engagement but I couldn't have done it without them. Thanks a million girls!

Well-set moderately large ears & deep blue eyes of walnut shape. Well-grown body though not as heavy as expected. Limbs to balance & quite long tapering tail. Dense silky coat with seal brown points. JONES'S ICEGEMS BERLIOZ (83aw) MN 17.07.08 Blue Point

A strong & powerful neutered boy of only 16 months with lots of heft & a gentle nature. Head a broad medium wedge though with a small nose bump in profile and I would prefer a stronger chin. Level bite. Well-set ears and lovely deep blue eyes of walnut shape. Well-grown body, strong & muscular with limbs to balance. Thick tail that could do with a little more length. Dense coat that could lie a little closer. Blue on the ears & tail but his limbs are all white. Shown in excellent condition and nicely presented. A pleasure to judge.

RYAN'S SPINNING HOLLYBERRY (83aw) FN 12.12.06 Blue Point

A strong & muscular neutered girl of nearly 3 years. Little white on her face and just about enough on her feet. Head of medium length & a little fine on the muzzle and her chin could be stronger though the white on her face doesn't help. Well-set moderately large ears and blue eyes that are a touch rounded. Long well-grown muscular body with limbs to balance. Moderately long slightly tapering tail. Close-lying coat with well-matched blue-grey points. Body a little shady but obviously pointed. A sweet girl with a gentle nature – just good enough for a Merit.
